

South Cumbria Rivers Trust (SCRT) works in collaboration with the Environment Agency (EA) and Natural England (NE) to identify, scope and deliver work that benefits the special nature of the River Kent. The River Kent and its tributaries are designated as a Site of Special Scientific Interest (SSSI) and a Special Area of Conservation (SAC).

BOWSTON WEIR REMOVAL: DELIVERY PHASE

A BOWSTON UPDATE

ISSUE DATE: Thursday, 09 June 2022

Mobilisation works are due to commence this Monday 13th June 2022, with our contractors Ebsford Environmental establishing the site boundary and footpath diversion.

In river works are due to start the following week on Monday 20th June 2022.

We are inviting local residents to a site visit next Wednesday 15th June. If you have any questions about the delivery phase of the project, you can come ask representatives from SCRT and our contractors Ebsford Environmental. If you wish to join us, please meet us at 11:30am at the location in Figure 1. Grid Reference: SD49789677.
